

Delhi Electricity Regulatory Commission  
Draft Notification

- In exercise of powers vested under section 181 of the Electricity Act, 2003 the Delhi Electricity Regulatory Commission hereby proposes to amend Delhi Electricity Regulatory Commission (Terms & Conditions for Determination of Generation Tariff) Regulations, 2011 (hereinafter referred to as “the Principal Regulations”), as follows

1. **Short title and commencement**

- (1) These regulations may be called the Delhi Electricity Regulatory Commission (Terms & Conditions for Determination of Generation Tariff) (First Amendment) Regulations, 2013.
- (2) These regulations shall come into effect from the date of their publication in the official Gazette.

2. **Amendment of Regulation A7 of Principal Regulations:**

The following provisos shall be added under Clause 56 of Energy Charge of regulation A7 of the Principal Regulation as under, namely:

Provided that generating company shall provide to the beneficiaries of the generating station the details of parameters of Gross calorific value (GCV) and price of fuel i.e. domestic coal, imported coal, e-auction coal, natural gas, RLNG, liquid fuel etc., as per the Form No. F27 (information in respect of fuel for Energy Charges) of the MYT formats to these regulations:

Provided further that the details of blending ratio of the imported coal with domestic coal, proportion of e-auction coal and the weighted average Gross calorific value (GCV) of the fuels as received shall also be provided separately, along with the bills of the respective month:

Provided further that copies of the bills and details of parameters of Gross calorific value (GCV) and price of fuel i.e. domestic coal, imported coal, e-auction coal, natural gas, RLNG, liquid fuel etc., details of blending ratio of the imported coal with domestic coal, proportion of e-auction coal shall also be displayed on the website of the generating company. The details should be available on its website on monthly basis for a period of three months.
