

DELHI ELECTRICITY REGULATORY COMMISSION

Viniyamak Bhawan, 'C' Block, Shivalik, Malviya Nagar, New Delhi- 110017.

F.17(17)/Engg./DERC/2015-16/OA/Part File-1/5318

In the matter of: Development of Infrastructure for revising Schedule by State Load Despatch Center

The General Manager
State Load Despatch Centre, Delhi
Shakti Sadan, Kotla Road,
New Delhi- 110002

ORDER

(Date of Order: 01.06.2017)

1. Whereas, the Commission has issued Delhi Electricity Regulatory Commission (Terms and Conditions for open Access) Regulations, 2005, wherein the Commission has specified the timeline for consent/NOC of Open Access to the Open Access applicants. It also stipulates incorporation of schedule in case of contingency beyond working days.
2. State Load Despatch Centre (SLDC) Delhi, during a meeting in the office of DERC in respect of Draft Open Access order, has raised the issues regarding processing of applications for incorporation of schedule and has informed that SLDC does not have sufficient infrastructure including round the clock man power to revise schedule to incorporate contingent Open Access transactions beyond working days and therefore, these applications can be handled on working days only.
3. The Commission has considered the submission made by SLDC and has observed that application for incorporation of schedule by Open Access Consumers should not be withheld for want of man power. The Commission directs SLDC to develop necessary infrastructure including round the clock man power, within six months, for revising schedule to incorporate contingent Open Access transactions.
