ORDER

(Date of Order: 04.07.2018)

1. *Vide* Order dated 20.09.2017 the Commission has allowed the implementation of Demand Side Management (DSM) based Energy Efficient Air-Conditioner program in Delhi to accelerate adoption of BEE 5 Star Rated Air Conditioner (AC) through consumer rebate scheme, wherein several models of different brand were included.
2. Now, the Petitioner *vide* letter/application dated 11.06.2018 has requested the Commission for inclusion of BEE 5 star rated Split inverter AC of M/s LG model JS-Q18KUZD in continuation with existing listed model (JS-Q18HUZD) in the approved replacement Scheme. Further, the petitioner has requested to remove the window model LWA18CPZA since the production of this model has been discontinued by the manufacturer i.e. M/s LG Electronics.
3. It is further submitted by the petitioner that the new model has additional features like in-built WI-FI facility and there will be no impact on the rebate offered to the consumers therefore, in view of the operation flexibility of the proposed model and nominal increment in the price the petitioner has requested the Commission for inclusion of BEE 5 star rated Split inverter AC of M/s LG model JS-Q18KUZD and exclusion of the window model LWA18CPZA.

4. In view of the above, the application is allowed to the effect that window model LWA18CPZA is removed and BEE 5 star rated Split inverter AC of M/s LG model JS-Q18KUZD is included.
5. Ordered accordingly.
